

## **LA COUNTY MH CLIENT SUCCESS STORIES FEATURED IN LOCAL NEWSPAPERS**

Starting Thursday, October 3, 2013, the Los Angeles Newspaper Group's daily and weekly community newspapers will feature mental health client success stories in special inserts. A Spanish version will also be available through *La Opinion*.

Funded by the Mental Health Services Act (Proposition 63), the insert is filled with stories of hope, wellness and recovery as well as valuable information regarding mental health.

The inserts are being published in time for Mental Illness Awareness Week (MIAW). MIAW was established in 1990 by the U.S. Congress to recognize efforts by the National Alliance on Mental Illness (NAMI) on educating and increasing awareness about mental illness. MIAW takes place every year during the first full week of October.

The newspapers that will distribute these informational inserts are:
